*Our warranties provide **parts** and **labour** coverage for the following:*

- ✓ ✓ ✓ **Engine:** Engine block and cylinder head(s) (excluding damage caused by overheating regardless of the cause), all internally lubricated parts including: crankshaft and main bearings, camshaft and bearings, connecting rods and bearings, timing chain(s)/timing belts and gears, valve lifters and push rods, intake and exhaust valves, valve springs and retainers, valve guides, valve covers, pistons, piston rings, wrist pins, rocker arm assemblies and oil pump.
- ✓ ✓ ✓ **Transmission** (Automatic/Standard/FWD/RWD): Transmission case (when damaged from within), all internal parts, torque convertor, modulator valve and solenoid packs.
- ✓ ✓ ✓ **Transfer Case** (4WD/AWD): Transfer case housing (when damaged from within) and all internal parts.
- ✓ ✓ ✓ **Differentials(s):** Front and/or rear differential housings (when damaged from within), all internal parts.
- ✓ ✓ ✓ **Turbo/Supercharger:** Housing (when damaged from within) and all internal parts.
- ✓ ✓ ✓ **Towing:** An allowance of up to \$40 per claim will be provided when the mechanical breakdown or failure of the registered vehicle is expressly covered under this warranty.
- ✓ ✓ ✓ **Roadside Assistance:** You will be reimbursed up to \$40 per occurrence for the following services: Fuel Delivery (excluding the cost of fuel), Battery Boost, Lockout Services (excluding locksmith costs), Tire Change and Winching Services. This coverage applies to the registered vehicle and anyone who is driving it. Coverage is limited to a maximum of 3 (three) service calls. All services listed expire at the time of warranty expiration.
- ✓ ✓ ✓ **Breakdown Away From Home:** An allowance of up to \$150 per claim will be provided for expenses incurred if a covered component fails while travelling. Eligible expenses include the cost of hotel rooms, bus fare, taxis, train or airfare. Some conditions apply.
- ✓ ✓ ✓ **Seals and Gaskets:** All those seals and gaskets used to contain fluids/lubricants within the covered parts.
- ✓ ✓ ✓ **Plus Coverage:** Additional coverage for the following – Water pump, starter motor and solenoid, alternator and regulator, CV joints and axles, universal joints and drive shafts, timing chain tensioner or timing belt tensioner, guides and timing cover, flexplate and flywheel.
- ▲ ▲ ▲ **Zero Deductible:** If this option is selected and its fee paid at the time of application, the deductible will be waived on each and every claim throughout the term of the warranty.

✓ Included ▲ Available

*Our warranties provide **parts and labour** coverage for the following:*

- ✓ *** Engine:** Engine block and cylinder head(s) (excluding damage caused by overheating regardless of the cause), all internally lubricated parts including: crankshaft and main bearings, camshaft and bearings, connecting rods and bearings, timing chain(s)/timing belts and gears, valve lifters and push rods, intake and exhaust valves, valve springs and retainers, valve guides, valve covers, pistons, piston rings, wrist pins, rocker arm assemblies and oil pump.
- ✓ *** Transmission** (Automatic/Standard/FWD/RWD): Transmission case (when damaged from within), all internal parts, torque convertor, modulator valve & solenoid packs.
- ✓ *** Transfer Case** (4WD/AWD): Transfer case housing (when damaged from within), all internal parts.
- ✓ *** Differential(s):** Front and/or rear differential housings (when damaged from within), all internal parts.
- ✓ *** Turbo/Supercharger:** Housing (when damaged from within) & all internal parts.
- ✓ **Towing:** Lubrico will provide a towing allowance of up to \$40 per claim when the mechanical breakdown or failure of the registered vehicle is expressly covered under this warranty.
- ✓ **Roadside Assistance:** You will be reimbursed up to \$40 per occurrence for the following services: Fuel Delivery (excluding the cost of fuel), Battery Boost, Lockout Services (excluding locksmith costs), Tire Change and Winching Services. This coverage applies to the registered vehicle and anyone who is driving it. Coverage is limited to a maximum of 3 (three) service calls. All services listed expire at the time of warranty expiration.
- ✓ **Breakdown Away From Home:** You will be reimbursed up to a maximum of \$150 per claim for expenses incurred if a covered component fails while travelling. Expenses can include costs for hotel room, buses and taxis, train or airfare. Some conditions apply.
- ✓ *** Supplementary Mechanical Parts:** **Engine:** water pump, motor mounts and torque struts, oil pan, harmonic balancer and pulley, intake and exhaust manifolds, timing chain tensioner or timing belt tensioner, guides and timing cover, dipstick and tube, oil pressure sending unit and temperature gauge sending unit. **Transmission/Transaxle:** flexplate, flywheel, mounts, axle shafts, drive shafts, CV joints and universal joints. **Transfer Case** (4WD/AWD): Transfer case mounts.
- ✓ **Electrical:** Starter motor & solenoid, alternator & voltage regulator, windshield wiper motors & windshield washer pumps (front & rear), heater motor & fan, electronic ignition module (excluding computer systems), electric radiator and air conditioning condenser fan motors.
- ✓ **Fuel Injection** (gasoline & diesel): Pressure regulators, fuel injector lines & fuel injectors, injection/distribution & fuel pumps, and their seals & gaskets.
- ✓ **Steering:** Manual & power steering gear housing & all internal parts, rack & pinion and all internal parts, power steering pump and their seals & gaskets.
- ✓ **Front Suspension:** Upper & lower ball joints, upper & lower control arms & their shafts & bushings, steering knuckles, king pins & their bushings.
- ✓ **Brakes:** Master cylinder, vacuum assist booster, disc brake calipers, wheel cylinders, proportioning valve, flexible brake fluid hoses, hydraulic steel lines & fittings. (For ABS/Traction Control coverage see Power Equipment Option.)
- ✓ **Air Conditioning:** Compressor & clutch, condenser, evaporator and their seals and gaskets.
- ✓ **Seals & Gaskets:** All those used to contain fluids/lubricants within the covered parts.

✓ Included ▲ Available * Covered by most manufacturer's powertrain warranties

Optional coverage available

Zero Deductible (available on Powertrain & Superior, included on Factory Powertrain Partner): If this option has been selected and fee paid for at the time of application, the deductible will be waived by Lubrico on each and every claim authorized throughout the lifetime of the warranty.*

Car Rental (available on Powertrain & Superior, included on Factory Powertrain Partner): If this option has been selected and fee paid for at the time of application, you will be reimbursed for the rental of an automobile if a covered component fails. An allowance of up to \$35 a day to a maximum of \$210 will apply.*

\$5,000 Per Claim Liability (available on Powertrain & Superior, included on Factory Powertrain Partner): If this option has been selected and fee paid for at the time of application, the single claim limit of liability will be increased to \$5,000 or half the purchase price of the vehicle (excluding taxes) at the time of sale, whichever is the lesser.*

Extra Value Package (available on Powertrain, included on Superior & Factory Powertrain Partner/your manufacturer's warranty): If this option has been selected and fee paid for at the time of application, the following parts will be covered: water pump, starter motor and solenoid, alternator and regulator, CV joints and axles, universal joints and drive shafts, timing chain tensioner or timing belt tensioner, guides and timing cover, flexplate and flywheel.*

Seals and Gaskets (available on Powertrain, included on Superior & Factory Powertrain Partner/your manufacturer's warranty): If this option has been selected and fee paid for at the time of application, the following parts will be covered: the seals and gaskets used to contain fluids/lubricants within the covered parts including but not limited to cylinder head gasket(s), crankshaft seals, camshaft seals, valve seals, intake manifold gaskets, timing cover gasket, oil pan gasket, valve cover gasket(s) and all seals and gaskets used to contain fluids/lubricants in the transmission/transaxle/transfer case/ differential.*

Air Conditioning (available on Powertrain, included on Superior & Factory Powertrain Partner): If this option has been selected and fee paid for at the time of application, the following parts will be covered: compressor & clutch, condenser, evaporator and their seals and gaskets.*

Power Equipment (available on all programs): If this option has been selected and fee paid for at the time of application, the following parts will be covered: Anti-lock brakes/traction control module, sensor rings, wheel speed sensors, pump and pressure modulator assembly; electric trunk release actuator, power door lock actuator motors, exterior mirror motors, power window motors and regulators and manually operated electrical switches.*

Power Equipment PLUS (available on all programs): If this option has been selected and fee paid for at the time of application, the following parts will be covered: All items listed in POWER EQUIPMENT, plus the following: cruise control module and servo, fuel injection and/or electronic ignition computer control module, transmission computer control module, electronic/vacuum engagement components for 4WD/AWD, electronic instrumentation displays (speedometer, tachometer, odometer, fuel, oil, temperature and voltage only), power sliding door and lift gate motors, keyless entry door keypads and receiver, power seat motors, sunroof motor, heated mirrors, convertible top motors, headlamp wiper motors, load leveling compressor motor, electronic climate control module.*

*Ask your sales person for details on coverage, availability and prices.
